

Please join Laurie Halverson and her friends to celebrate the launch of her campaign for State Delegate, District 15.

We will talk about:

- the challenges we are facing in Montgomery County,
- why we choose to live here, and
- how Laurie plans to represent the citizens of District 15 in our beautiful state.

For over 15 years, Laurie has been a leader in our community and hopes to carry her problem-solving skills and diplomacy of working with Democrats and Republicans successfully into the Maryland State Legislature. Laurie offers unique perspectives from her current role as a Board of License Commissioner, appointed by Ike Leggett and confirmed by the County Council; recent service as a member of the Maryland State Board of Education, appointed by Governor Hogan; and as a long-time advocate for families and children. She is ready to serve you in Annapolis! We are excited for you to join us as we show Laurie our support from now until the November election.
